

Issue name 1: How to post an image or video?  
Issue Link 1: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2953>  
Issue name 2: v14-Filters: CamelCase vs SCREAMING\_SNAIL\_CASE  
Issue Link 2: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2907>  
Issue name 3: Handling of constraints and type conversions for Telegram classes and methods  
Issue Link 3: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2901>  
Issue name 4: Handling of defaults for bot methods  
Issue Link 4: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2900>  
Issue name 5: Improvements of types.SLT  
Issue Link 5: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2891>  
Issue name 6: Rename CommandHandler.command to CH.commands (plural) ...  
Issue Link 6: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2885>  
Issue name 7: [Discussion:] ConversationHandler  
Issue Link 7: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2770>  
Issue name 8: [BUG] ptb hardpins dependencies, causing problems for sub-dependencies  
Issue Link 8: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2758>  
Issue name 9: [FEATURE] Support Python 3.10  
Issue Link 9: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2713>  
Issue name 10: [DISCUSSION] Dataclasses  
Issue Link 10: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2698>  
Issue name 11: [FEATURE/DISCUSSION] Plugin system  
Issue Link 11: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2656>  
Issue name 12: Unify quotes  
Issue Link 12: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2650>  
Issue name 13: Make documentation more accessible  
Issue Link 13: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2633>  
Issue name 14: [Discussion] kwargs for input-only classes (like InputMedia\*)  
Issue Link 14: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2607>  
Issue name 15: [FEATURE] Automatic dismiss repeated callbackquery updates  
Issue Link 15: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2539>  
Issue name 16: [FEATURE/DISCUSSION] Representations of TG objects  
Issue Link 16: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2491>  
Issue name 17: [FEATURE] ConversationHandler: Allow special handlers/callbacks for entering states  
Issue Link 17: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2390>  
Issue name 18: Switch to asyncio  
Issue Link 18: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2288>  
Issue name 19: [BUG] Error codes  
Issue Link 19: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2162>  
Issue name 20: Refactor MessageQueue  
Issue Link 20: <https://github.com/python-telegram-bot/python-telegram-bot/issues/2139>  
Issue name 21: Add health endpoint - 405 Method not allowed  
Issue Link 21: <https://github.com/python-telegram-bot/python-telegram-bot/issues/1438>  
Issue name 22: Make it easier to handle webhooks manually, by providing a convience

setup method for dispatcher

Issue Link 22: <https://github.com/python-telegram-bot/python-telegram-bot/issues/1258>

Issue name 23: Making requests when getting updates

Issue Link 23: <https://github.com/python-telegram-bot/python-telegram-bot/issues/713>

Issue name 24: Updater: automatic retries for bot.send\* calls

Issue Link 24: <https://github.com/python-telegram-bot/python-telegram-bot/issues/354>
